2006 Federal Human Capital Survey

***Reminder: Time is running out . . .
This Survey is VERY Important***

It helps assess our work climate, environment, and human capital practices

It allows a comparison of DOE with other federal agencies

It provides YOU an opportunity to voice YOUR opinions

If you have not completed the survey, you still have a little time ... DOE employees can access the survey through June 30, 2006 by using the link, userid, and password provided by OPM.

If you have already submitted your responses, please accept our THANKS!
